

Shubha Vilas's book Ramayana The Game Life-Book One The Rise launched

Sumona Chakravarty at the book launch

Mumbai Dec 18th 2013(Eddie Patel): Shubha Vilas's book 'Ramayana – The Game Life : Book One The Rise' was launched at Crossword Kemp's Corner outlet. The author was joined by Sonali Rathod, actor Sumona Chakravarty and Singer Kavita Seth discussed about the book.

The book

Ramayana: The Game of Life (Book 1), one of the world's great literary masterpieces, skillfully retold for modern audiences. Epics like the Ramayana have been recounted infinite times. Is there a need for another chronicle in the presence of so many? How is this one different? And is it relevant to our ever-changing modern lives?

Yes, there is a need, yes this is different and yes, it is relevant. This new series of books, each following one khand of the Ramayana, decodes the eternal wisdom of that poetic scripture through gripping narrative and thought-provoking instruction. In the time-honored custom of spreading wisdom through tales, every fascinating story in the epic is retold here and every character unfolded to captivate your heart and open your mind to life's deepest questions.

The narrative closely follows

Valmiki's Ramayana, gently weaving in folk tales as well as the beautiful analogies of the Kamba Ramayana. The first of this six-volume series, *Rise of the Sun Prince*, takes you through the divine story of Lord Rama from His birth up to His marriage. Through these pages are revealed the tales of Dasaratha's leadership, Vishwamitra's quest for power and the intriguing story of a little-known stone maiden. *Ramayana: The Game of Life* has all of this and much more - food for contemporary thought drawn from an enduring masterpiece.

The Author

Shubha Vilas, a spiritual seeker and a motivational speaker, holds a degree in engineering and law with specialization in Patent Law. His leadership seminars are popular with top-level management in corporate houses. He also helps individuals deal with modern-life situations by applying the teachings of the Bhagavad Gita, Ramayana and other dharmic traditions.
